SEIZURE WATCH - Weekly News Bulletin

Reporting week: Mon 12 Oct - Sun 18 Oct 2026 · Published Mon 19 Oct 2026, 10:00 Brussels time

Top stories this week. Cocaine dominated the highest-scoring reports: a Pacific tuna-route study (2,600 kg), a new Brazil-Amapá route to Europe, and analysis of the global cocaine boom. India featured heavily, with 3,000 kg of heroin at Kandla Port, a 148.67 kg hydroponic cannabis haul at Delhi airport and NCB lab raids. Nigeria's NDLEA reported an 8,725 kg tramadol seizure and drugs hidden in a palm oil keg, while California deputies dismantled a large methamphetamine conversion lab (about 1,644 kg). All ten items are currently unverified.
